Thank You!

We'd like to say a massive thank you to our hard working staff during these difficult times!

They have all worked so incredibly hard to make nursery life as 'normal' as possible for the children throughout the pandemic.

Facebook

We are using Facebook as a way to share all our fab activities daily, please like our page to view upcoming events, daily activities and our wonderful meet our team profiles so you can get to know our practitioners.

Resource Appeal

We are still collecting resources for our natural play areas. If anybody has any cups & saucers, teapots, china, kitchen utensils (wooden, clay, metal) homely signs or ornaments or artificial plants that would be hugely appreciated & loved!

Clothing

Please ensure that children have a change of clothes in a clearly named bag. Please make sure all clothes are named! With the weather being quite cold, please can parents make sure children are wearing appropriate clothing and footwear.

Please bring a warm waterproof coat, wellies and a warm hat so we can explore the outdoors in all weathers! All-in-one puddle suits are also great for the rainy days.

We also understand how frustrating it is when gloves get separated so we always recommend a string between them that can go through the arms of a coat to stop them getting lost

The children love to get very messy! Children learn by exploring & experimenting so please make sure they are dressed in clothes and shoes that you don't mind getting paint or food on.

Questionnaires

Thank you to all the parents that completed our parent questionnaire last month. We had so many amazing & wonderful responses. This really means a lot to the team and it really shows how hard they have been working for our wonderful families.

Polite Reminder

This is a polite reminder that the nursery closes at 6pm. Pick ups between 5-6pm are very busy so please be patient if there is a queue and ensure you are wearing clothing for the cold/wet weather!
